IBIS RESIDENTIAL

Inspired by the shape of the university seal.

Circle piece to tie in all assets

Ibis silhouette. First to come back after a storm and last to leave before. A bit on the nose for the college, but fitting.

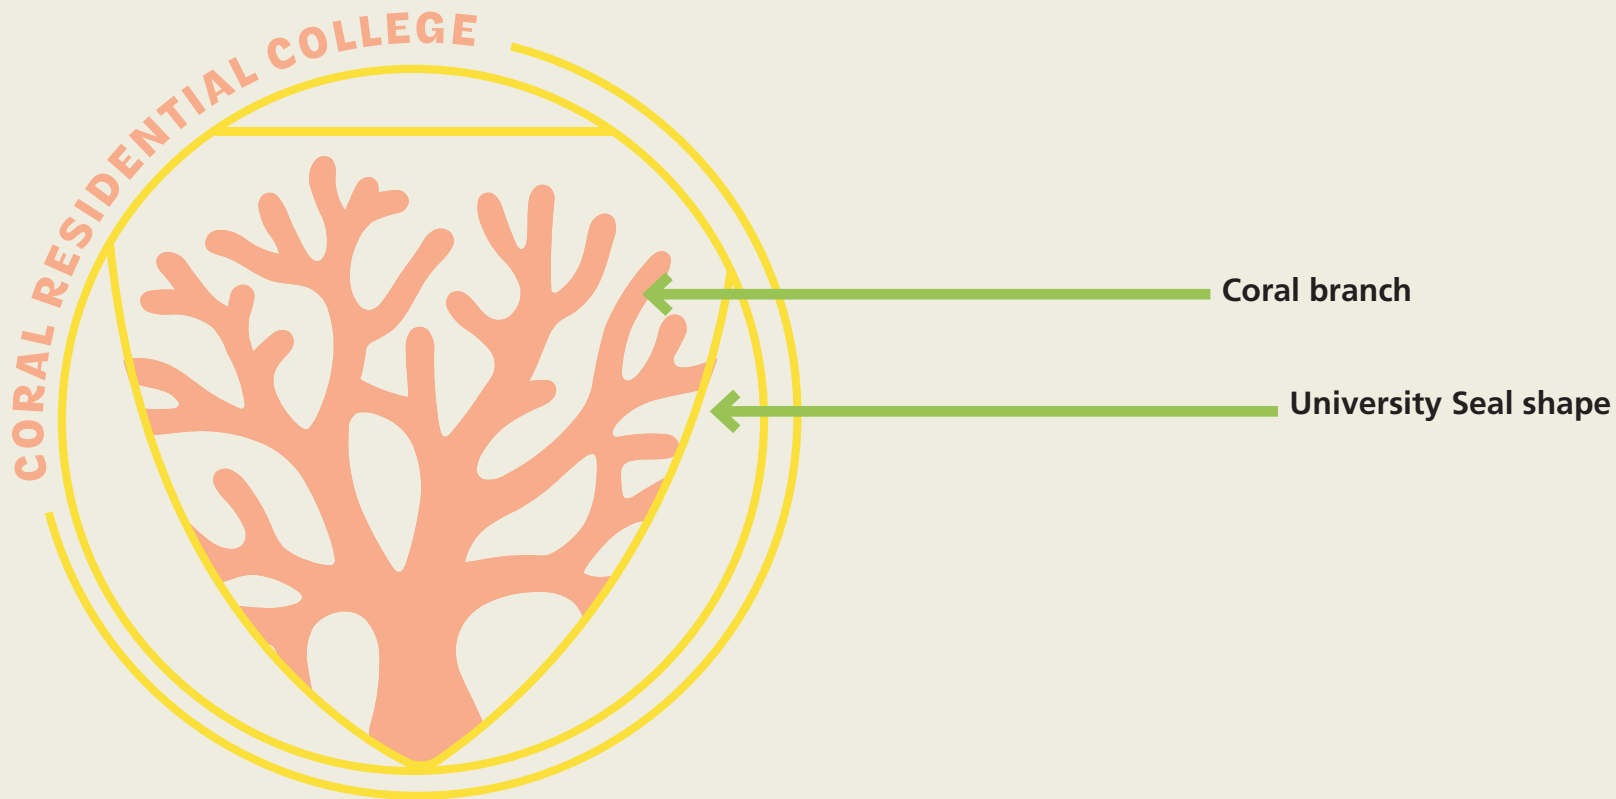

Inspired by our own mascot, Ibis Residential College brings the flock of freshmen, faculty, and staff together. Building resilience and strength between them, the ibis, seen plenty around campus is the perfect symbol for this residential college.

EATON RESIDENTIAL

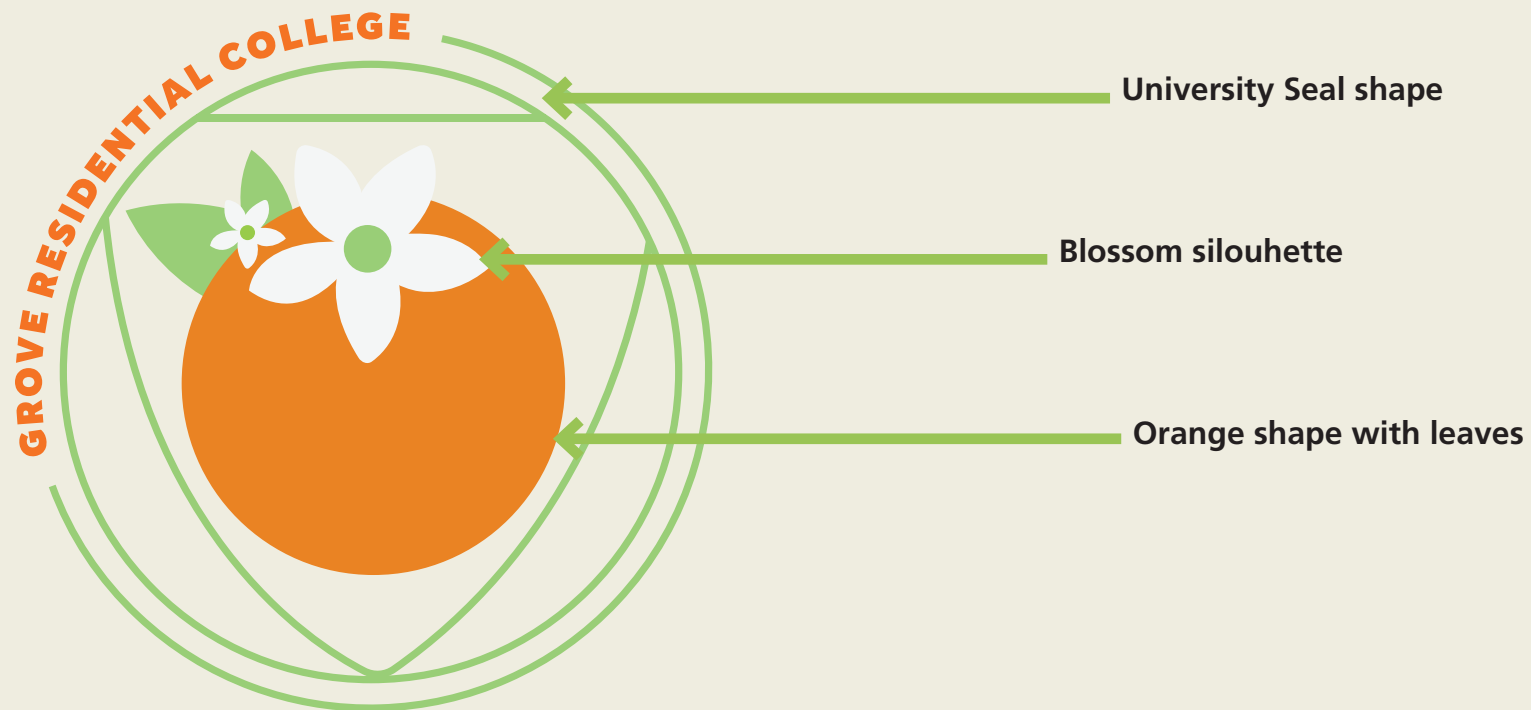

Eaton's icon features a mangrove and water, symbolizing resilience, growth, and connection to Lake Osceola. Just like mangroves protect and anchor ecosystems, Eaton fosters a strong, supportive community where students grow and thrive. The mangrove's deep roots reflect the lasting foundation built by Eaton's past, present, and future residents, while the surrounding water speaks to the college's enduring presence on campus.

CORAL RESIDENTIAL

Corals and coral reefs are an important part of Florida and the oceans ecosystem. You can find coral at the Biscayne National Park playing a significant role in the symbolism for this residential college.

GROVE RESIDENTIAL

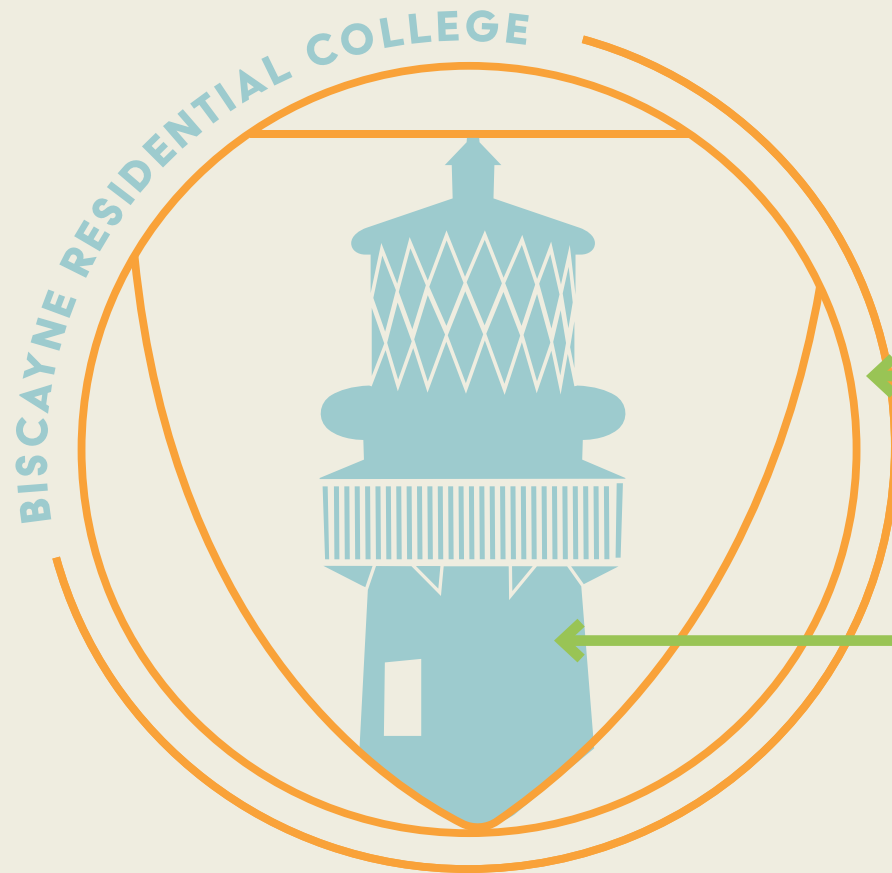

Based off of Coconut Grove, I went for the orange blossom to not only tie in our school colors; Orange for the orange, green for the leaves and white for the blossoms, but to also tie in the orange groves that grow our state fruit and our Spirit Tree that we honor every homecoming.

University Seal shape

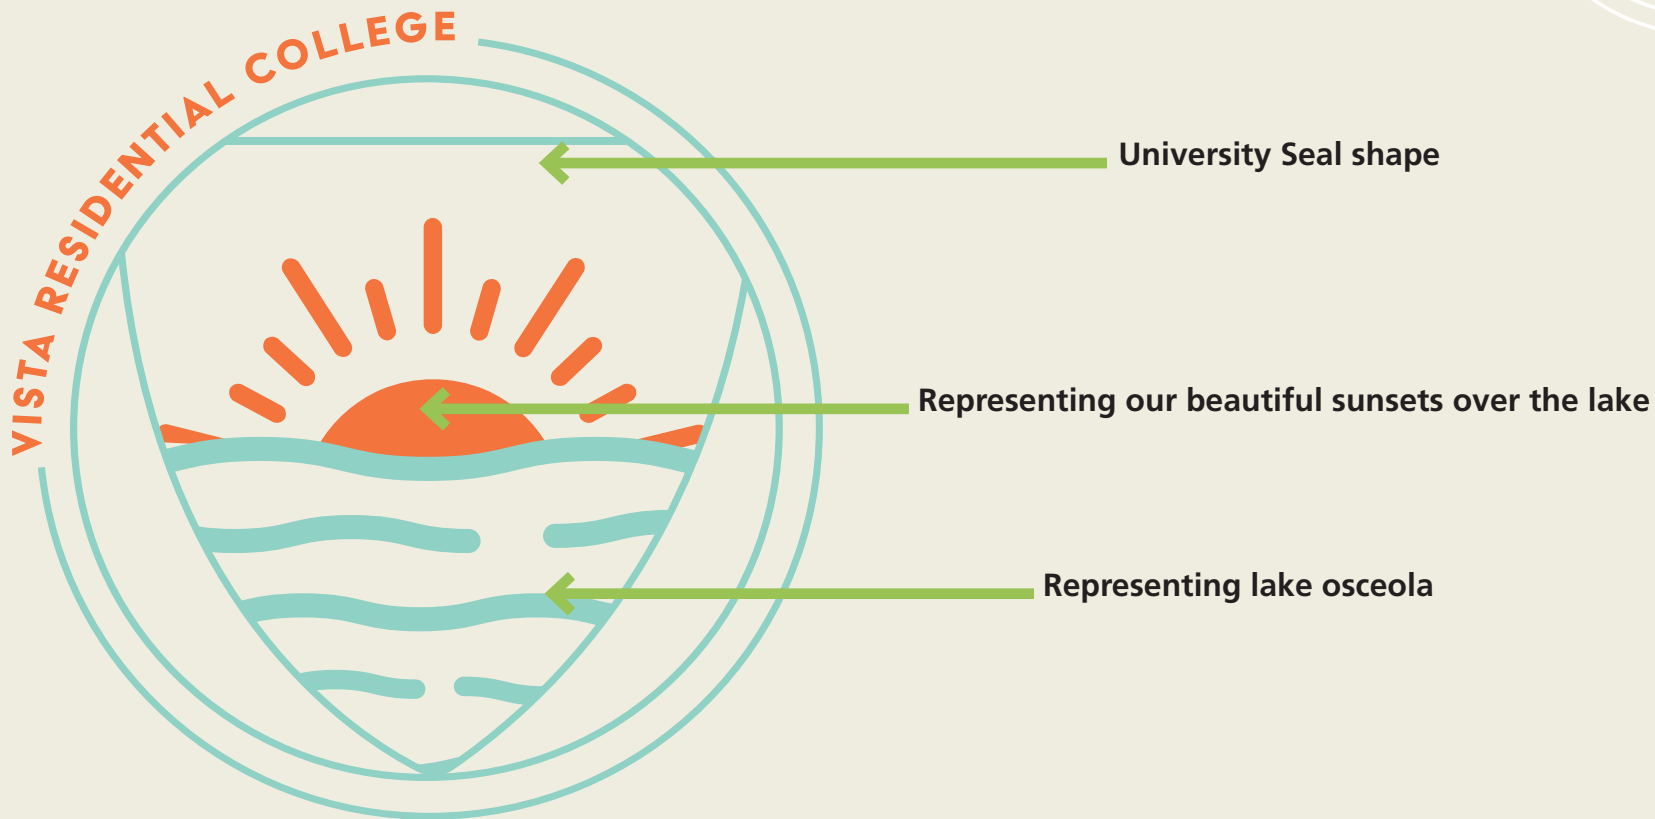

Bill Baggs Lighthouse

For Biscayne Residential College, the icon features a silhouette of the lighthouse you can see at Bill Baggs State Park. The lighthouse has been standing tall since 1825, a symbol of resilience and for this icon it serves as a symbol that you will always find your way back home, to the U.

VISTA RESIDENTIAL

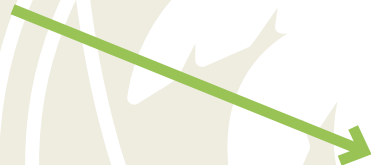

For Vista Residential College, the icon features a sunset. The sunset represents new beginnings, reflection, and the vibrant spirit of campus life. It also nods to the beautiful Miami skies that students experience daily, capturing Vista's atmosphere of growth, transition, and opportunity.

Palm

Parrot

Mahoney's icon includes a palm tree, reflecting the tall royal palms that surround the building and symbolize stability and growth. Pearson's icon features a parrot, inspired by the flocks often seen flying around Mahoney and Pearson in the afternoons bringing energy, color, and a sense of community. These updated symbols create a clean, clear identity for each college while staying rooted in their shared environment.
